MINISTRY OF COMMERCE

PUBLIC NOTICE

IMPORT TRADE CONTROL

New Delhi, the 24th November 1965

SUBJECT.—*Import of drugs and medicines (S. No. 87, 130/IV).*

No. 101-ITC(PN)/65.—Attention of the importers is invited to the import policy for drugs and medicines contained in Appendix 19 to the Import Trade Control Policy Book for April 1965—March 1966 period.

2. The List I given in the said Appendix 19 may be deemed to have been substituted by the revised list given in Annexure to this Public Notice.

3. The licences already issued to established importers against their consolidated quota for the period April 1965—March 1966 will be valid only for import of Drugs specified in the revised List I given in Annexure to this Public Notice.

4. The import of permissible items of drugs and medicines given in List III of Appendix 19 to the Red Book for April 1965—March 1966, will also be permitted against licences issued to established importers against their consolidated quota by specific endorsements made thereon in consultation with the Directorate General of Health Services, New Delhi. The requests for such endorsements should be made to the concerned licensing authorities at one time and not later than four months after issue of the quota licences with a copy to the Directorate General of Health Services, New Delhi, giving the following information:—

(1) Quantity and the c.i.f. value of the drugs and medicines, desired to be imported, and

(2) Value of quota licences held.

ANNEXURE

(*List I*)

The following drugs in their pure form, except where otherwise stated, and conforming to the specifications laid down in the Drugs and Cosmetics Act, 1940 or the Rules made thereunder will be allowed to be imported. No preparations (other than those specifically mentioned against items in this list) of any one or more of the drugs will, however, be eligible for imports—

*N.B.—The c.i.f. prices of the following items covered by list I should not exceed the prices shown against each:—

Name of item.	Maximum c.i.f. price at which imports to be allowed.
1. Chlorpromazine Hydrochloride	Rs. 115 per kg.
2. Hydrochlorthiazide.	Rs. 50 per kg.

**Imports will be permitted against imports certificates issued by the Narcotics Commissioner.

NOTE.—Request for inclusion of any other drug or medicine in the Essentiality List (List I) or in the quota licences may be addressed to the licensing authorities at the ports indicating the value upto which the drug or medicine is intended to be imported. Full justification in support of the request and illustrative literature, if any, should be furnished. Such requests for endorsement on quota licences should be made, as far as possible, at one time and not later than four months after issue of the quota licences, to the licensing authorities at the ports with a copy of the Directorate General of Health Services, New Delhi. While submitting applications for endorsement the following information should be furnished:—

(1) Value of quota licence held; and

(2) Quantity and value upto which additional items are required and the c.i.f. prices at which the imports will be made.

P. SABANAYAGAM,
Chief Controller of Imports and Exports.
